On October 12, 2009, the Westminster Foundation of West Virginia Board met at the First Presbyterian Church Buckhannon for their annual fall meeting. What is Westminster? A foundation which supports Presbyterian campus ministries at Marshall, WVU, Mountain State, Shepherd, West Liberty, and Fairmont. Who sits on the Board? Elders, ministers, campus pastors, professors, and administrators from across the state of West Virginia. What is their goal? To nurture faithful future leaders in our church, state, and nation. At the December Presbytery meeting, you will hear more about the exciting and impactful ministries of the Westminster Foundation on our young people, including how you can be involved!
