## About our Hostess

*Chris Key* knows all about planting seeds. As the wife of Rev. Dr. Kyle Key, she's been his partner in ministry for 36 years. Chris has been active in women's, children's, and couple's ministry, and any other role that needed filling in the ministry of the Church.

She is the mother of three adult children, one furry dog-child and two kitty-cats. Chris's love for Christ is contagious and evident in all she does.

Very truly I tell you, unless a kernel of wheat falls to the ground and dies, it remains only a single seed. But if it dies, it produces many seeds.

- John 12:24

# About our Speakers

Two decorative branches of greenery with small, round, light green leaves and tiny red berries, one on the left and one on the right, framing the title. A single green leaf is positioned below the word 'Speakers'.

*Jennifer Hand* is executive director of Coming Alive Ministries and has a desire to provide women of all ages an invitation to come alive in Christ.
